## HOME OF DIVERSIFIED INDUSTRY

Manitoba's vast natural wealth, cheap hydro-electric power and favorable labour conditions are responsible for the steadily increasing variety of industries that now call Manitoba home.

Since 1939, over 180 new industries have been established in Manitoba, and many additional enterprises are planned for the near future.

In addition to Agriculture, such industries as Fishing, Forestry, Mining, Fur and Travel give Manitoba a stable, well-balanced, diversified economy.

# LEADERSHIP

*With Over 50 Years of Service*

Government Statistics for the last ten of Wawanesa's years of service shows that this All-Canadian Company stands at or close to the top against all competition.

## Province Records

Figures supplied by the Dominion Department of Insurance for 1945 covering the business done by all companies in the nine provinces show that on Net Fire Premiums Written WAWANESA stands

- **FIRST** in Alberta
- **FIRST** in Saskatchewan
- **SECOND** in Manitoba
- **THIRD** in Ontario

Since Wawanesa does not operate in Prince Edward Island this record shows real leadership in half of the provinces it covers.

## All-Canada Record

Official figures also show Wawanesa's proud standing in the whole Insurance field in Canada:

- **SECOND** on Net Fire Premiums Written.
- **SECOND** on Windstorm Premiums Written.
- **SECOND** on Automobile Premiums Written.
- **SECOND** on Combined Fire and Auto Premiums.

When it is noted that to be listed among the first ten is the ambition of the big companies, this is real achievement.

## Foreword

IT is a pleasure for me, on behalf of the officers and executive council, to extend 'a sincere invitation to curlers everywhere to be with us this year to take part in the celebration of our Diamond Jubilee. A great deal of work has been done in planning the bonspiel, and we can assure all those who take part that a happy time may be expected. To those who may not find it possible to attend our bonspiel, we extend our best wishes for a happy season's curling. We shall all look forward to renewing acquaintances on February 10th.

A handwritten signature in black ink, appearing to read "J. M. Menden". The signature is fluid and cursive, with a large initial "J" and "M".

KARSH

I am always happy to welcome the sportsmen who participate in the annual bonspiel of the Manitoba Curling Association, but this year, on the occasion of their Diamond Jubilee Bonspiel, it gives me special pleasure.

From a small beginning sixty years ago, the task of building this great sporting event to its present stature has been carried out by many of our leading and most capable citizens. At the very beginning, the founders of the annual bonspiel emphasized sportsmanship, companionship and goodwill. It has been these qualities which have persisted through the years and which have made the bonspiel one of the greatest amateur sporting events.

Over the years, the friendly game of curling has won an amazing degree of popularity throughout the entire province. During the past decade, both the youngsters and the ladies of Manitoba have enthusiastically adopted the "roaring game." We hope this outstanding growth in popularity will long continue.

On behalf of the Government of Manitoba, I am pleased to have this opportunity of welcoming the visiting curlers and their friends. May the Diamond Jubilee Bonspiel be a memorable occasion for all of us.

STUART GARSON  
*Premier of Manitoba*

*To Curlers and Visitors attending  
The Manitoba Curling Association Bonspiel:*

The bonspiel to be held here on February 10th next, under the auspices of the Manitoba Curling Association, will be the Diamond Jubilee of this important annual event, and will be the biggest and best ever held here.

On behalf of the people of Winnipeg, I extend the most cordial invitation to all curling enthusiasts, whether participants or observers, to come to Winnipeg for this bonspiel. I can assure you of a good time and the warmest of welcomes.

Curlers are always honoured guests and all of our people will be anxious to show them the hospitality for which this city is noted.

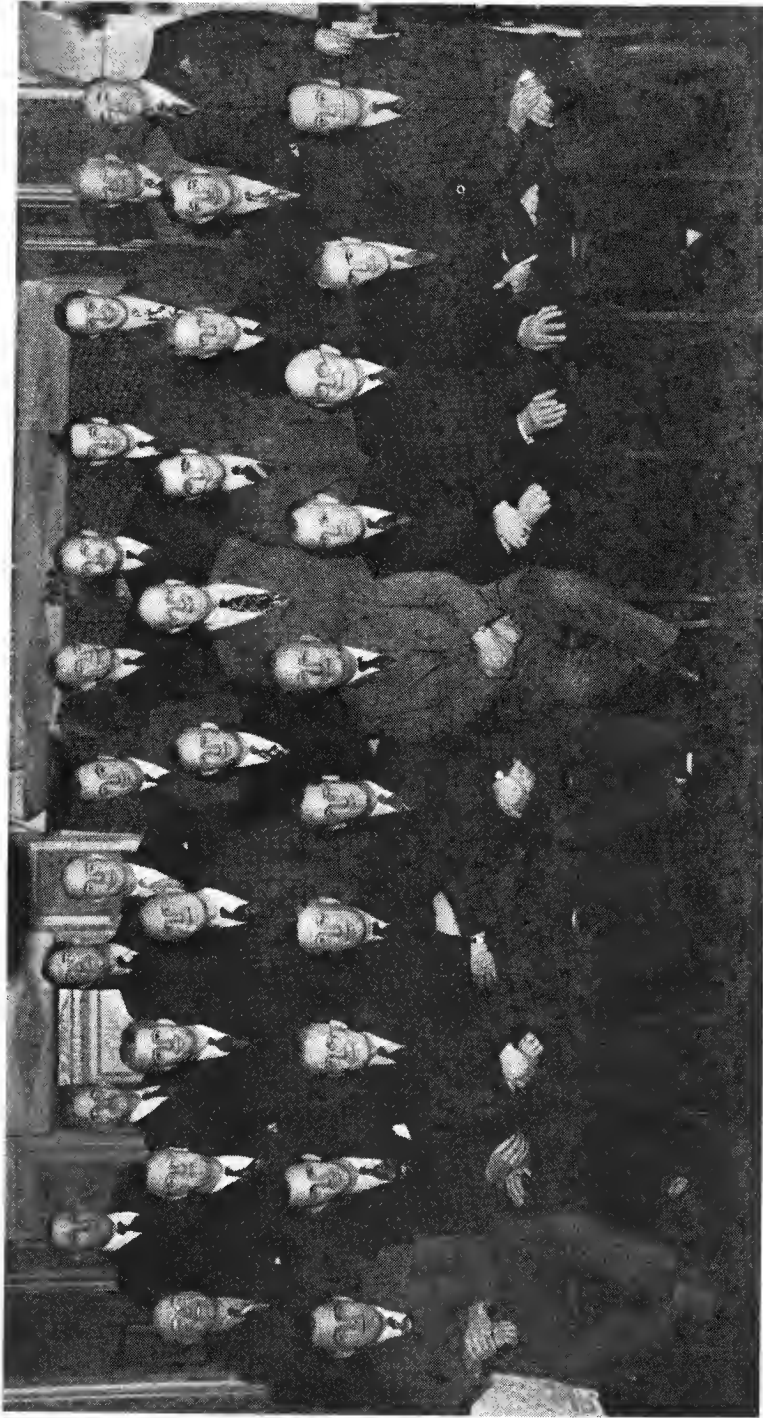

Yours sincerely,

GARNET COULTER,

*Mayor*

January 2nd, 1948.

## THE MANITOBA CURLING ASSOCIATION

By SENATOR JOHN T. HAIG, K.C.

**T**HIS year the Association celebrates its Diamond Jubilee. It was formed in the year 1888. At that time it was known as a branch of the Royal Curling Club of Scotland for the Province of Manitoba and Adjoining Territories. Just ten years ago we celebrated its Golden Jubilee and at that time a very able article was written by the late Professor Frederick W. Clarke on the history of the Manitoba Curling Association. This was included in the fiftieth annual bonspiel programme and it would be impossible for me to write as well as Professor Clarke did in that article. I would therefore suggest that readers of this article refer to that one for the first fifty years.

Up until the time of the playing of the 1938 or fiftieth bonspiel, each participant had furnished his own rocks, but in that year the Manitoba bonspiel was compelled, on account of the extraordinarily large entry, to change the system for, as they said, that one year. Prior to that time the rocks had been moved from club to club, wherever the owner was drawn to play. During the years preceding the 1938 play-off there had been many discussions in the clubs and in the association as to whether rocks should not be placed on the sheets of ice during the bonspiel and everyone would have to use them in the game, but the majority had always been in favour of everyone furnishing their own rocks and using them. However, in 1938, as I said before, owing to the large entry the organization was compelled to place rocks on every sheet of ice. When the bonspiel was over, a census was taken of all the clubs and it was the unanimous opinion that the system should be continued. Now the system is spreading all across Canada. The club owns the rocks and the members play with them in the regular season as well as in the bonspiel.

The first thought that naturally arises in one's mind in writing an article of this kind is the number of outstanding features in the last ten years. No one can forget the wonderful contribution made by the association to the Canadian Red Cross during the war years. It is with interest I point out that during that period a sum of no less than \$139,000 was raised by the curlers in their own organizations for that purpose. As a matter of record I would say that the following gives details of these contributions:

1940-1941 .....	\$ 12,000.00
1941-1942 .....	22,000.00
1942-1943 .....	19,000.00
1943-1944 .....	40,000.00
1944-1945 .....	46,000.00
	<hr/>
	\$139,000.00

In this connection S. C. Trew hitt, or "Steve" as he is known among the curlers, a past president and now Honorary Secretary-Treasurer, was the man behind the work, and to whom more than any other man goes the credit for this wonderful achievement.

The second thought that naturally arises in one's mind, in writing an article of this kind, is the number of men who were active in the organization during the years who have passed on since the fiftieth celebration. In looking up the record I was struck with the number of outstanding curlers and executives who had answered the call. It would be impossible in a short article of this character to enumerate them all and I shall not try to do so, but I would like to mention a few who gave outstanding service in the cause of curling not only in Manitoba but throughout the whole of Canada and, in fact, some beyond its boundaries. I am not going to give them in the order of the years of their deaths but I will just mention them in the order in which the names naturally come to my mind. Of course you must remember that I am practically bound to mention the names of those with whom I was associated during the last thirty-five years of the organization.

First, I would like to mention the Honourable Robert Jacob, K.C., who had the honour of being twice president of the Manitoba Curling Association;

Professor F. W. Clarke, who, as I said above, wrote the first fifty years' history of this organization;

Next Malcolm Campbell, past president of the association, an Honorary Life Member, a loving soul and a great member of the executive for many, many years;

Dr. C. J. Jamieson, who, although a great doctor, would rather have curled than anything else, a former past president and an Honorary Life Member;

Dr. W. J. Harrington, of Dauphin, one of the leading spirits of that northern country, an Honorary Life Member of the association;

My father, Joseph Haig, who curled until he was well past 92, an Honorary Life Member and a leading spirit in the early days of the Alexander Curling Club;

S. J. Jackson, of Stonewall, an Honorary Life Member and one of the men that made curling in the early days of the association;

J. Fred Palmer, a past president and a past secretary of the association, for many years a leading spirit first of the Thistle and then of the St. John's Curling Club. Fred loved the game and will be missed by many of his old friends;

George J. Cameron, a past president of the Manitoba Curling Association, an Honorary Life Member, founder of the Macdonald Brier play-offs, who was the man that established the idea of the different provinces of Canada sending their championship rink to play off for the championship of Canada;

Dr. N. J. Trimble, of Glenboro, of Dauphin, and finally of The Pas, an Honorary Life Member and one of the best sports that ever threw a rock.

Many others could be mentioned, but space forbids. This association will long live and be a power in the curling world, as long as men like the above and many others contribute their personal interest, not only to the game but to the welfare of this and kindred organizations.

The Manitoba association will enter on its sixty-first year next spring with prospects brighter than ever before in its history for the progress and development of the game. The number of young men who at the close of the last war joined the different clubs within the jurisdiction of the association was far greater than anyone expected.

Curling is really a Canadian game. Gradually it is being extended to every part of Canada. In the milder parts, artificial ice is being used. It is a good thing for our country that such things happen. Some of our older members of the organization who, to the best of our ability, have helped in this work, are delighted to recognize that the new men that have succeeded us have carried the organization to greater triumphs in achieving ideals that permeated the minds of the founders—men like J. P. Robertson and others. We are delighted that the work is being carried on in such capable hands.

I again invite you to get a copy of the 1938 programme, read the article by the late Professor F. W. Clarke, and then contemplate what we have today and realize what a magnificent demonstration it is to our own people and to people in other countries of the contribution that can be made to the enjoyment of people in one of the best sports there is for our country. A salute to the past and a prophecy of a great future for the Manitoba Curling Association.

COMPLIMENTS OF  
**DETROIT RED WINGS**

JACK ADAMS      BOB KINNEAR  
BOB O'DOWDA

Dear Friends:

I count it a great honour to have been appointed Chaplain of the Manitoba Curling Association, especially in the year when the association celebrates its Diamond Jubilee. In a young country, sixty years of history is no mean tenure of life. For the Curling Association it has been three score years of notable achievement. The national laurels which have been won so frequently by representatives of Manitoba have given the association a foremost place in the development in Canada of this time-honoured recreation.

Next February, when the sixtieth Anniversary Bonspiel is held, the annual Church Service will take place in Grace United Church. As the minister of Grace Church and as your Chaplain, it will be my great privilege to welcome to the service members of all the rinks who will be competing, together with the officers of the association and friends.

I would like to point out the importance of making this service a historic event. Your attendance will aid in reaching this objective.

I remain, very sincerely yours,

W. G. MARTIN, *Chaplain.*

## PAST PRESIDENTS' CURLING ASSOCIATION

The Past Presidents' Curling Association, as its name indicates, is an association formed to try to retain the interest in the game of curling among men who have been presidents of their respective clubs. Any past president of a club affiliated with the Manitoba Curling Association is eligible for membership. It was founded May 4th, 1928, and the charter members were: H. F. R. Baker, W. A. Brock, E. A. Brown, J. B. Crawford, W. J. Logan, W. R. McAlpine, J. H. A. Perry, Frank Smith, J. A. Wilson.

The objects of the Association are: To maintain interest and promote good fellowship in the game of curling; to assist the Manitoba Curling Association to promote the game of curling in the Province of Manitoba:

The activities consist of an annual bonspiel and luncheon held in Winnipeg in December; an annual dinner and general meeting in the spring and a golf tournament in the summer.

### MESSAGE FROM DOMINION CURLING ASSOCIATION

It is with a great deal of pleasure that I extend to the Manitoba Curling Association and all curlers gathered together at Winnipeg for the Diamond Jubilee Bonspiel the sincere good wishes of the Dominion Curling Association.

This Bonspiel will no doubt be the largest provincial bonspiel in the history of Canadian curling, and on occasions like these it is interesting to look back over the growth of the game, particularly in the western provinces.

The gathering which I know will assemble at Winnipeg will speak for itself and I shall look forward to renewing my many western curling friendships and to making new ones at the bonspiel in February.

COLIN A. CAMPBELL

# CONSTITUTION

## MANITOBA CURLING ASSOCIATION

---

1. The Association shall be called the "Manitoba Curling Association" and shall be affiliated with the Dominion Curling Association and the Royal Caledonian Curling Club of Scotland.

2. The object shall be to promote the game of Curling in the Province of Manitoba, adjoining provinces, and the neighboring United States; to unite all curling clubs therein into one organization; to hold fraternal intercourse with other neighboring Curling Associations; and to maintain connection with the Royal Caledonian Curling Club of Scotland through the Dominion Curling Association.

3. Its membership shall consist of the Honorary Members of the Association and regular and honorary members of all curling clubs which may be received into the Association and conform to the rules thereof as adopted.

4. The affairs of the Association shall be managed by a Representative Body composed of one delegate elected by each affiliated club, together with all Past Presidents of the Association and retiring members of the Executive Council; which shall have power to elect, from among the members of the Association, the office bearers of the Association and to appoint Committees for the transaction of business thereof.

5. An Annual General Meeting of the members of the Association shall be held in Winnipeg on the third Wednesday of April in each year to receive the Annual Report of the Executive Council, Annual Report of affiliated clubs, fix dates of Annual Bonspiels, and to transact such other business as may be necessary.

6. At the Annual Meeting, the delegates shall elect for the year ensuing the Honorary and Active office bearers of the Association, who shall come into office immediately upon their election and continue as such until successors are appointed. The Honorary officers shall consist of: Patrons and Honorary President or Presidents. The Active officers shall consist of: President, First, Second and Third Vice-Presidents, Chaplain and an Executive of fourteen members. The Annual Meeting shall also elect the auditors and one delegate and an alternate delegate to the Dominion Curling Association. The persons eligible for election as Active officers of the Association or on the Executive shall be members in good standing of any club in affiliation with the Manitoba Curling Association.

7. The Executive Council shall consist of the President, First, Second and Third Vice-Presidents, Executive of fourteen members, Presidents of Curling Clubs of Greater Winnipeg, President of the Past Presidents' Association, the retiring President of the Association and officers and directors of the Dominion Curling Association resident in Manitoba during their term of office.

8. The Executive Council shall appoint a Secretary-Treasurer, who shall, subject to the direction of the Executive Council, have the supervision of the proceedings and financial affairs of the Association, conduct the correspondence, countersign all cheques, collect all dues, and keep a correct account of all receipts and expenditures of the Association, keep a record of all meetings of the Association, Executive Council and the Committees thereof, and such other duties as may be designated from time to time by the Executive Council. The term of engagement of the Secretary-Treasurer and all other matters relating thereto shall be in the discretion of the Executive Council.

9. A Semi-Annual Meeting of the Association shall be held on the third Wednesday of November in each year to organize for the curling season, receive the semi-annual

report of affiliated clubs and Executive Council, and transact such other business as may have arisen since the Annual Meeting. Fifteen delegates shall constitute a quorum at meetings of the Association, and seven members at any meeting of the Executive Council.

10. At meetings of the Association only duly accredited delegates will be allowed to speak to or present motions. No exception to this rule may be made unless with the permission of the Chair.

11. Any regularly affiliated club shall, in addition to selecting one regular delegate from its members, elect an alternate delegate from its own or some other club, so that such club may have an accredited delegate at all regular meetings of the Association.

12. The President shall preside at all meetings of the Association and Executive Council. He shall sign the minutes of such meetings (after they have been confirmed), official documents, and sign all cheques. He shall have a casting vote in case of a tie, as well as a deliberative vote.

13. In the absence of the President, the First Vice-President shall take the place and discharge the duties of the position, and the Second Vice-President shall have the same authority in the absence of the President and the First Vice-President, and the Third Vice-President shall have the same authority in the absence of the President and the First and the Second Vice-Presidents, and should all of them be absent from any meeting, it shall be competent for the meeting assembled to elect a chairman, who shall have, pro tem, all the rights and powers of the President.

14. The books and accounts of the Association shall be audited annually and reported thereon to the Association at the Annual Meeting.

15. The standing Committees of the Executive Council shall be as follows: Finance Programme, Ice and Draw, Entertainment, Publicity, Credential, Junior and any Special Committee deemed essential to the conduct of the business of the Association. Five shall constitute a quorum.

16. The Finance Committee shall have charge of all finances of the Association, provide ways and means for revenue for its maintenance, supervise all expenditure and approve all accounts before payment.

17. The Programme Committee shall have charge of the admission of clubs into affiliation, and the arranging of district matches and the programme and prize-list for the Annual Bonspiel. It shall also have charge of the Annual and all printing of the Association.

18. The Ice and Draw Committee shall have charge of the draws, rinks, rocks and identification badges at the Annual Bonspiel. It shall name Umpires for all regular and special matches of the Association, and arrange for a special committee on complaints and appeals, in the event of any dispute arising in competitions during the Bonspiel or at any other special matches held under the direction of the Association.

19. The Entertainment Committee shall have charge of meeting all visiting delegates or curlers to the Annual Bonspiel or meetings of the Association, and to make provision for hotel or other accommodation, and give them all necessary information as to such meeting. It shall also, in the event of a banquet or other entertainment to visiting curlers, take full charge of same and arrange any programme for such entertainment.

20. The Publicity Committee shall have charge of all matters pertaining to the general publicity of Bonspiel and Association.

21. The Credential Committee shall check over the list of delegates and alternates appointed to all meetings and submit their report to the presiding officer of such meet-

ing. Notices of Annual and Semi-Annual meetings shall be sent in writing to all affiliated clubs, Past Presidents of the Association, active officers and members of the Executive Council, at least three weeks before the date of the meeting.

22. The Junior Committee shall have charge of all business in connection with the Junior, Juvenile and High School Bonspiels and all other competitions in which members of the above groups may be eligible to compete. Each year a sub-committee of the Junior Committee shall be set up for the purpose of operating the High School Boys' Bonspiel. This sub-committee shall be composed of equal representation from the Manitoba Curling Association's Junior Committee and the Manitoba Physical Education Association, and this sub-committee shall function under the chairmanship of the Chairman of the Manitoba Curling Association's Junior Committee. This committee shall file each year with the Association an audited statement of its accounts.

23. The reports of all committees shall be approved by the Executive Council before any action is taken thereunder.

24. The Executive Council shall recommend to the Association at its Annual Meeting four names whom the meeting may appoint Honorary Life Members in recognition of special services to the Association and to the game of curling. In addition, the Executive Council may also recommend to the Annual Meeting a sufficient number of names to replace those Life Members who have passed on in the immediately preceding year. The Executive Council of the Association may appoint not more than two Honorary Life Members in any one year, members so appointed by the Executive Council shall be from clubs outside the jurisdiction of the Manitoba Curling Association.

25. The Constitution of the Association shall not be altered or repealed until approved of by at least two-thirds of the members present at a meeting of the Association and unless notice of such alteration or addition shall have been previously given at the preceding Annual or Semi-Annual meeting.

## CLUBS

1. Any curling club shall be eligible to be received into the Association (subject to the approval of the Executive Council) which has a membership of not fewer than sixteen persons, and which has a constitution and a staff of office bearers, including Patron, President, First and Second Vice-Presidents, a Secretary and a Treasurer (which offices may be combined in one), executive of five members and one delegate and alternate to represent the club on the Association. The club must operate a building properly equipped and maintained for curling.

2. The fees payable by clubs shall be an entrance fee, annual club fee, and annual dues for regular members.

3. The entrance fee of any new club shall be \$5.00, which must accompany the application, together with annual club fee and other dues.

4. The annual dues shall be paid in advance, as follows: A club fee of \$2.00 each year from each club, and an additional sum of \$1.00 for each regular member of clubs in Winnipeg and district, and 25 cents for each regular member of other clubs. Members can be registered up to the 31st day of January in each year, and new clubs admitted up to the same time. All regular members of a club shall be duly registered with the Association.

5. No club in arrears shall be entitled to compete in the District Matches or for any prize of the Association at the Annual Bonspiel.

6. If any club shall fall two years in arrears in the payment of annual dues, it shall be struck off the roll of the Association and shall not be reinstated except as a new club, unless the Association shall decide to the contrary by a two-thirds vote.

7. No person can be a regular member of more than one affiliated club at one and the same time, and a list of such members shall be sent to headquarters with their semi-annual reports not later than the first of November in each year, but a person may join more than one club, although not allowed to play as a regular member of the club in district or bonspiel matches.

8. Should any new members join the club during November, December and January, the secretaries must forward to the Secretary at headquarters a list of such members not later than the date of the closing of bonspiel entries so as to qualify them to take part in the Annual Bonspiel in February.

9. Persons who from change of residence or other reason find it desirable, may withdraw from one club and be received into another during the curling season; but the change before coming into effect must receive the assent of both clubs and be approved by the Executive Council of the Association.

10. No such change or any other reason shall make it lawful for any curler to play in any one season for or on behalf of more than one club for prizes allocated by the Association or given under its auspices.

11. Clubs shall classify their members as Honorary, Regular and Associate. Each club shall pay an annual fee of \$2.00, and on each regular member thereof a per capita tax of 25 cents (or \$1.00 as provided in paragraph 4) per annum. These fees must accompany the annual report after the annual meetings of clubs upon the first Wednesday of April in each year. Only regular members shall be entitled to take part in Association games and be eligible for election as a Delegate to the Association.

## PROCEDURE

1. At all meetings of the Association, motions or notices of motion shall be in writing and be read from the chair before being discussed.

2. At special meetings no business shall be transacted other than that for which the meeting was convened, and which has been clearly set forth in the notice calling such meeting.

3. The same procedure shall be observed at meetings of the Executive Council as at regular and special meetings of the Association.

4. All reports of Committees to either the Council or Association shall be in writing and be duly signed by the Chairman.

5. No member shall speak on any subject more than once, except the mover, who shall be entitled to close the debate.

6. No member shall be allowed to discuss any subject that is not strictly before the meeting by a regular motion.

7. The following shall be the order of business at all regular meetings of the Association:

- |   |                                    |
|---|------------------------------------|
| (1) Reports on credentials of delegates.  | (7) Reports from affiliated clubs. |
| (2) Reading minutes of previous meetings. | (8) Executive Council Report.      |
| (3) Admission of new clubs.               | (9) Report of District Umpires.    |
| (4) Unfinished business.                  | (10) Election of office bearers.   |
| (5) Communications.                       | (11) New business.                 |
| (6) Accounts.                             | (12) Alteration of Constitution.   |

## GENERAL RULES

---

1. Play will commence each day at 9.00 a.m., 12.45, 4.30, 8.15 p.m., and games will be of twelve ends unless arranged otherwise by the Ice Committee.

2. At starting times, as stated in paragraph 1, umpires shall give starting signal, first in waiting rooms, and immediately after on the ice. All rinks to be on the ice upon which they are drawn to play at the time at which they are drawn to play.

3. If competing rinks are not on the ice ready to play when signal is given, and opponents are ready to play, the umpire shall score against the late rink one point for every fifteen (15) minutes or fraction thereof it is late: such penalty points to be marked on score cards by umpires and must be considered in the total score of the game. Opponents of late rinks must accept points marked on score cards by umpires and on no account can these points be waived by mutual consent or otherwise. One end will be considered played for every point so scored.

4. In the event of both competing rinks being unready to play when signal is given, the umpire will score one point for each rink and one end will be considered played for every fifteen (15) minutes or fraction thereof they are late.

5. When ten-end games are being played umpires will signal for completion of game at two hours and twenty-five minutes after the start of each draw. When twelve-end games are being played umpires will signal at two hours and fifty-five minutes after the start of each draw and games must finish with the completion of the end being played, excepting any game which may be tied at the completion of that end, such tie games to proceed until a point is scored to decide the game. A rock must have been thrown by a player before an end can be said to be in progress of being played. In the case of a double rink event, an end will be considered started for both games when a rock has been thrown on one sheet, also an end cannot be considered completed until the same number of ends have been played in each game.

6. When six penalty points in a ten-end game or seven penalty points in a twelve-end game have been scored against a rink in default for being late in accordance with the foregoing rules, the umpire shall immediately declare the opposing rink the winner of that game and shall report accordingly, and the committee shall take that game as having been played.

7. The two skips opposing each other shall settle by lot, or in any other way they may agree upon, which player shall lead in the first end actually played.

8. Two sets of rocks will be placed on each sheet of ice by the Association and numbered to correspond with the number of the sheet. One set will be identified with blue labels and the other with red labels. Rinks must play with the rocks provided on the sheet of ice and the skips can settle by lot or in any other way they may agree upon as to the choice of rocks. Under no circumstances will players be allowed to use their own rocks; nor can rocks be moved from one sheet to another.

9. If one player on a rink be not on hand at starting time, three players may proceed with the game in accordance with the Rules of the Game, paragraph 22. The player coming late may sweep as soon as he comes upon the ice, but cannot play his stone until after the completion of an end; with the following exceptions: A skip or third may play if he comes upon the ice before the second has delivered more than two stones, a second may play if he comes upon the ice before the lead has played more than two stones.

10. The Manitoba Curling Association will insist that all curlers living within the jurisdiction of the Manitoba Curling Association, to enter in the bonspiel, shall be active members of an affiliated club and wherever possible a rink must be composed of members of the same club. If members of one club find it impossible to make up a complete rink of four men, then it will be permissible to fill the rink with members in good standing from

some other club affiliated with the Manitoba Curling Association. In all cases the consent of both or all clubs concerned shall be given. The Council of the Manitoba Curling Association reserves the right to drop from bonspiel play any rink which is not composed fully of members in good standing of an affiliated club or clubs. A member in good standing is one who pays the annual dues set by that club for active playing members. In the event of a member of a club located in Greater Winnipeg playing with a rink from outside the district of Greater Winnipeg, such member must pay bonspiel entry fee as set for Winnipeg and district curlers.

11. Umpires shall use measuring sticks supplied by the Association to determine whether or not a rock is a counter on outer ring.

12. Rinks entered in any competition must have four active players and go through the Open Events with the four named players as entered on official entry form, no substitute being allowed. All players must be in good standing in their respective clubs at least thirty days prior to the Bonspiel.

13. Rinks must play as entered on the official entry form in all Open Events and shall play in each Open Competition in the position fixed by the skip in the playing of the first end of any game. No change shall be made once game has started. In the Ganong and Free Press a man may be substituted who is not playing with any other rink in any other competition except the Veterans.

14. In the event of a rink becoming incapacitated through illness or unavoidable absence of any player, no substitute player may be entered but the three remaining members may continue to play, but no rink will be allowed to continue with less than three members.

15. In the following restricted competitions, namely the Free Press and Ganong, no rink shall be eligible to play in more than one event. All rinks to be eligible for above competitions shall have been entered and have played in two open events.

16. Unless otherwise provided in the rules governing the competition or as set out in Rule 1, twelve ends shall be played in each successive game, and in the event of the score being tied when twelve ends have been played an extra end or ends shall be played until the winner is decided.

17. In the event of any disagreement between skips, the umpire shall be asked for a decision. In the event of his decision being disputed by either or both of the contestants (skips), the matter may be appealed to the Chairman of the Ice Committee and his decision shall be final.

18. The umpire at the close of each game, shall, together with the losing skip, sign the score cards.

19. In the opening round of any bonspiel event rinks will play as drawn regardless of the club to which they belong.

20. All trophies, tankards and cups, shall, unless otherwise provided for, remain the property of the Association; but winners of such, who may desire to retain them for any stated time, may have them upon giving ample security for their safe return.

21. For the purpose of Rules, the Birks-Dingwall, City Hydro, Hudson's Bay, Monarch Life, Black & Armstrong, Eaton, McKinney, Shea's, Canada Packers and Winnipeg Electric competitions shall be considered open events.

**22. All cup winners are required to have a group photo taken of the team before delivery of trophy and prizes, the Association to pay for two copies. This rule will be rigidly enforced owing to the trouble and inconvenience the Association has been put to by reason of trophy winners leaving the city before having had photographs taken.**

23. Competitions listed in this programme on pages 51 to 79 are men's competitions and shall be open to men only. Competitions on pages 80 to 84 are women's competitions and shall be open to women only.

24. Where no specific rule is given to apply to competition, then the General Rules of the Manitoba Curling Association shall apply. Should any emergency arise during the time of the bonspiel, the Ice Committee may change general bonspiel rules.

## RULES OF THE GAME

---

1. The standard length of the rink shall be 46 yards from hack to hack, and shall be laid out according to the annexed diagram.

2. From and in exact alignment with both tees, a line, called the centre line, shall be drawn to a point four yards behind each tee; at this point a line shall be drawn at a right angle to the centre line, on which the hack shall be cut. The hack shall not exceed six inches in length, nor shall the inner edge thereof be more than three inches from the centre line, so that all stones shall be delivered with their centre upon the centre line.

3. No important match shall be commenced if the ice be not in a condition fairly to test the curling skill of the competing players. The umpire's decision regarding the condition of the ice shall be final in all cases.

4. All matches must be the majority of shots won, after playing a certain number of heads. In the event of both parties being equal at the conclusion of the match, play shall be continued, under the direction of the umpire, by all rinks engaged for another head, or for such additional number of heads as may be necessary to decide the match.

5. Every rink to be composed of four players a side, each using two stones, and playing one stone alternately with his opponent, and the rotation of players observed in the first head shall not be changed during the match.

6. The two skips opposing each other shall settle by lot, or in any other way they may agree upon, which party shall lead in the first head, after which the winning party shall lead.

7. The skips shall have the exclusive management and direction of the game for their respective parties, and may play last or in any part of the game they please, but are not entitled to change their places when once fixed. When their turn to play comes, they shall each appoint one of their players to act in their places as skip of the game, and must take the position of ordinary players until they have played and returned to the tee-head as skips.

8. Players during the course of each end shall be arranged along the sides, but well off the rink, as their skips may direct; and no party except when sweeping, according to rule, shall go upon the middle of the rink. Skips alone have to stand within the twelve-foot circle; the skip of the party playing to have the choice of place, and must not be obstructed by the other in front of the tee; while behind it, the privilege of both, as regards sweeping, shall be equal.

9. Every player must be ready to play when his turn comes, and shall not take more than a reasonable time to play; should he play a stone belonging to another player, any of the players may stop it while running; but if not stopped till at rest, the stone which should have been played shall be put in its place to the satisfaction of the opposing skip.

10. If a player should play out of turn, the stone so played may be stopped in its course and returned to the player; should the mistake not be discovered until the stone be at rest, or has struck another stone, the opposing skip shall add one to his score, and have the option of allowing the game to proceed, or declaring the end null and void; but if another stone has been played before the mistake has been noticed, the end must be finished as if it had been played properly from the beginning, and such missed stone shall not be played for that end.

11. If any player engaged or belonging to either of the competing clubs shall taunt or otherwise interrupt any other player not of his own party, while preparing to play his stone, so as to disconcert him, one shall be added to the score of the party so interrupted for each interruption and the play proceed.

12. If in sweeping, or otherwise, a running stone be marred by any of the party to which it belongs, it shall be put off the ice, and the opposing skip shall have option to add one to his score, and allow the game to proceed, or to call the end null and void; but if marred by any of the adverse party, it shall be placed wherever the skip of the party to which it belongs may direct. If marred in course of play after delivery in any other way excepting straw from brooms, the player shall replay the stone. Should any played stone be replaced by any of the players before the head is reckoned, it shall be placed as near as possible to where it lay, to the satisfaction of, or by the skip opposed to the party displacing it. If displaced by any neutral party both skips to agree upon the position to which it is to be returned, and if they fail to agree, the umpire shall decide.

13. The sweeping shall be under the direction and control of the skips. Upon all occasions a stone may be swept from the HOG SCORE nearest the point from which the stone is delivered, and may be swept by the party to which side it belongs until it comes to the SWEEPING SCORE; but all stones when they have passed the sweeping score may be swept by EITHER SKIP ONLY. Skips will have the liberty to sweep behind the tee at all times, except when a player is receiving directions to play from the skip. All sweeping shall be across the rink, and the sweeper must be in front of the stone being swept, and at one side thereof; and no sweeping shall either be moved forward, or left in front of a running stone or a stone "at rest."

14. All stones shall be of circular shape. No stone, including handle, shall be of greater weight than forty-seven and one-half pounds, or of greater circumference than thirty-six inches, or of less height than one-eighth part of its greatest circumference.

15. A stone which fails to pass the hog line shall be removed from the ice, unless it has been prevented from passing by striking another stone lying in play.

16. All stones which have passed the back line shall be removed from the ice.

17. Every stone within or resting upon the outer ring shall be entitled to be counted in the game and a stone shall not be considered over a line unless it has crossed it and entirely cleared it.

18. No stone or side of a stone shall be changed after a match has begun unless with the consent of the opposing skip. Should a stone happen to be broken during the game, the largest fragment shall be considered in the game for that end, and the player shall be entitled to use another stone or another pair, during the remainder of the game.

19. Should a played stone roll over or stop on its edge, or top, it shall be put off the ice. Should the handle quit the stone in delivery, the player shall be entitled to replay the stone if it is stopped before it reaches the hog score at the end of the rink to which it is being delivered.

20. No measuring of shots allowable previous to the termination of the end. Disputed shots to be determined by the vice-skips; or if they disagree, by the umpire; or, if there is no umpire, by some neutral person chosen by the skips. All measurements to be taken from centre of tee to nearest point of stone, after removing stones interfering.

21. If any of the competing rinks are not ready to begin play at the hour named for a match, one end shall be counted as played for every 15 minutes delay; and the opposing rink, if ready to play, shall count one point in the game for each such period of time it is kept waiting.

22. No rinks shall be eligible to enter the bonspiel unless in the first game played they start with four bona fide active players. If, however, after starting the first game in the bonspiel, any member through sickness, or other unforeseen circumstances, is unable to play, then the following rule to apply:

(a) If the skip be absent, then the third man becomes skip, and the second man plays his own and the third pair of stones.

(b) If the third player be absent, the second man shall play second and third place.

(c) If the second man be absent, the lead shall play both first and second stones.

(d) If the lead be absent, the second player shall play his own as well as the lead stones.

(e) No sweeper shall be allowed for the absentee, and no rink shall continue to play with less than three men.

23. After all the stones have been played in each head, the head shall be counted as follows: the side having one or more rocks nearer the centre than any of those of the opposing side shall count one point for each rock nearer such centre point, that is to say, if one skip has three rocks nearer the centre point than the other, and then the other skip has one rock the fourth nearest, then the first skip has three more, the first skip shall only count three because the fourth rock would destroy the others, and so on.

24. The game is scored by ends, the side winning the greatest number of shots in the head counts one point for each shot, and the game is totalled at the completion of the required number of ends, and the side having the greatest number of points wins the game.

25. In connection with competition where the question is raised as to whether a game is played or defaulted, it shall be understood that all games where one end or more has been played, and for some reason the game stopped, the game shall be considered a played game, and not a default under the rules.

## AMERICANS LOOK AT CURLING

By JACK AHERN and JOE CORY

We recently had a visit from one of the curlers in Winnipeg; and it is amazing the feeling one gets to hear the telephone ring and to have the opportunity of discussing curling with one of our northern neighbors.

The word "curler" makes us pause a moment, for the mention of it makes an inkling of an idea creep into our minds.

Every time you pick up the newspaper these days, you read on the first page that the whole world is in a terrible state of unrest and misunderstanding. The Arabs and the Jews are fighting; there is practically a Civil War in France; the Big Four Nations cannot, or will not agree on anything, and throughout the whole world there is strife, torment, trouble, suspicion and fear.

In the midst of all this trouble Washington and Ottawa get along pretty well, and so do the Canadian and American citizens. It may be in some small measure that curling has something to do with this spirit of friendliness between your countrymen and ours. Don't you think if we could get the four Foreign Secretaries and their chief assistants out on the ice and get them curling they might settle some of their differences very quickly? At least, we would have them shaking hands.

That is the thought we have in mind during these troublesome times. We all thank the Great Master that He let us know the game of curling and the hundreds of wonderful men this game has developed. We hope those of us from the United States who attend your bonspiel may long be spared to enjoy the spirit of friendly competition and social contact that prevails at the Manitoba bonspiel.

## HONORARY LIFE MEMBERS 1947

NEIL W. SULLIVAN was born in Portage la Prairie, Manitoba, on the 12th day of January, 1890. He played his first game of curling with the Portage la Prairie Curling Club in 1910. Moving to Winnipeg, he joined the Thistle Curling Club in 1913 and is still a member of that club. He was president of the Thistle Curling Club in 1933, and was an active member of the Manitoba Curling Association executive from 1933 to 1940, being president in the season 1938-39. He took part in his first Manitoba bonspiel in 1914 and has made visits to over forty curling clubs affiliated with the Manitoba Curling Association over the last few years. Mr. Sullivan has been employed by the Canadian Pacific Railway since 1905.

EARL MURRAY was born on a farm near Neepawa, Manitoba, on the 16th day of October, 1901. He moved to Neepawa in 1905 and has been a resident there ever since. He played his first curling game in 1926, taking part in his first curling bonspiel at The Pas, Manitoba, in 1929. He attended his first Manitoba bonspiel in Winnipeg in the year 1930 and has been a regular contestant ever since. He has been president of the Neepawa Curling Club on three different occasions. Mr. Murray is a keen curler and takes in numerous bonspiels throughout the country during the winter months.

GEORGE A. RAWSON was born in Priceville, Ontario, in the year 1880 and moved to Wawanessa, Manitoba, in 1892. In 1898 he moved to Grandview, where he took up a homestead and started his first game of curling at that point in the year 1900 and continued to be a member of the Grandview Curling Club for ten years. In 1910 he moved to Dauphin and was a member of the Dauphin Curling Club for eighteen years, serving on various committees. In 1928 he moved to Flin Flon, Manitoba, and was on the first executive when that club was formed and was made an Honorary Life Member of the Flin Flon Club in 1942. Mr. Rawson attended his first Manitoba bonspiel in Winnipeg in the year 1903 and has been a regular attendant for many years.

ROY H. SNYDER was born in Glenboro, Manitoba, on the 11th day of November, 1889. He played his first curling game in a novelty bonspiel in Glenboro in 1900. In 1919 he moved to Winnipeg and joined the Deer Lodge Curling Club in 1921 and has been an active member ever since. He was president of the Deer Lodge Curling Club in 1935-36; president of the Past Presidents' Association in 1940-41, and president of the Manitoba Curling Association in 1945-46, on whose executive he served for many years.

MYRTON MILLS was born in Drayton, N.D., on the 23rd of January, 1892, moving to Manitoba in 1901. He farmed in the Starbuck district from that time until 1920, when he went into business for himself in Starbuck. He threw his first rock at Elm Creek Curling Club in 1933 and later with the newly formed Starbuck Curling Club in 1934. He attended his first Manitoba bonspiel in Winnipeg in 1935 and has attended the M.C.A. bonspiel annually since that date. He was president of the Starbuck Curling Club in 1938; was third vice-president of the Manitoba Curling Association and president of the Past Presidents' Association in 1944.

## CAMPBELL CUP

(For Competition between Honorary Life Members)

The Campbell Cup was presented by the late Malcolm Campbell, of Winnipeg, for annual competition between Honorary Life Members of the Manitoba Curling Association or Honorary Life Members of sister associations. The play will take place during the annual Bonspiel held in Winnipeg, the trophy to be held by the winning skip for one year. Bonspiel rules will govern this competition.

Four suitable first and second prizes will be presented by the Honorary Life Members Association.

### WINNERS

- 1922—W. L. Parrish, Jas. McDiarmid, J. Lemon, T. H. Verner (skip).

## MANITOBA CURLING ASSOCIATION, 1888-1948

By S. C. TREWHITT

NOW one of Manitoba's most popular sports, the game of curling, according to best available records, first took place in this province in the year 1876, at which time a club was formed in the city of Winnipeg, named the Manitoba Curling Club, with a reported membership of seventy. The first recorded game took place on December 11th, 1876. Eleven ends were played, the game lasting two hours, and the losing contestants duly fulfilled their agreement by donating one barrel of oatmeal to the hospital.

In the year 1880 clubs were formed at Emerson and Portage la Prairie, and in the following season the Winnipeg Granite Club was founded. In 1883 a club was inaugurated at Brandon, and one at Stonewall in 1884, and the ensuing few years were marked by a succession of new curling organizations coming into being.

A highlight in Manitoba's early curling history was the grand provincial bonspiel, which opened on the 13th of February 1884. The play continued for two days, terminating with a banquet. Manitoba had definitely adopted the roarin' game as one always thereafter to be identified with this province. Entries in this event came from Stonewall, Stony Mountain, Portage, Emerson and Brandon.

A goodly number of curling clubs had now been organized throughout the province, and in December of the year 1886 the Granite Club put forward a suggestion that, in view of the large number of clubs scattered throughout the province, in order to unite these clubs a "Provincial Curlers' Association" should be formed.

In the following month arrangements were underway to bring a provincial association into being, with the hope that shortly thereafter a provincial bonspiel might be held.

However, some months elapsed before much headway was in evidence, but finally, in October 1888, at a meeting of the Granite Curling Club a motion was passed as follows: "The members of this club are of the opinion that the time has now arrived when it is desirable that a branch of the Royal Curling Club be formed in the province of Manitoba and, with a view to such organization, the secretary be instructed to correspond with all clubs in Manitoba, asking that a delegate be sent to a meeting to be held in the city of Winnipeg."

In looking back over our records, we find a meeting took place in the club rooms of the Granite on the sixth day of December 1888. Present at this meeting were delegates from the following clubs: Portage la Prairie, Carberry, Morden, Stonewall, Stony Mountain and the Granite and Thistle Clubs of Winnipeg.

After considerable discussion a decision was made to form a branch of the Royal Caledonian Curling Club, and then the necessary officers were elected.

The first officers of the newly formed organization were as follows:

Patron—Wm. Whyte. President—J. B. Mather.

First Vice-President—W. J. Cooper. Second Vice-President—R. Logan.

Secretary-Treasurer—J. P. Robertson.

Executive—G. H. Campbell, E. G. Conklin, D. Smith, S. R. Marlatt, W. Lindsay, C. R. Dumsford.

Committee of Appeals—W. J. Cooper, R. Logan, D. Smith, A. Black.

Committee on Annual—J. B. Mather, W. J. Cooper, J. P. Robertson.

Auditors—E. G. Conklin, S. R. Marlatt.

Chaplain—Rev. Prof. Bryce.

The name of the new organization was "The Manitoba Branch of the Royal Caledonian Curling Club."

Sixteen years later, in the year 1908, a notice of motion was made that the name be changed to "Manitoba Curling Association." At the annual meeting the next year the name was changed to "The Manitoba Curling Association in Affiliation with the Royal Caledonian Curling Club of Scotland."

The affairs of the association are managed by a representative body composed of one delegate elected from each affiliated club, together with all past presidents of the association and retiring members of the executive council, the office bearers of the association.

The active officers consist of: President, first, second and third vice-presidents, executive of fourteen members, presidents of curling clubs of greater Winnipeg, president of the Past Presidents' Association, one retiring president of the association, and officers and directors of the Dominion Curling Association resident in Manitoba during their term of office. The executive council shall appoint a secretary-treasurer. The standing committees of the executive consist of finance, programme, ice and draw, entertainment, publicity, credential, junior and any special committee deemed essential to the conduct of the business of the association.

The duties of these committees are fully set out in our constitution. However, there are some points on which we would like to elaborate.

**Finance Committee**—The club fees and dues from members of affiliated clubs are not sufficient to defray the expenses of putting on the annual bonspiel. This expense is very considerable, and it is the duty of the Finance Committee to provide these funds, and this is quite an arduous duty performed by loyal members of this committee, who meet together once a week in the latter part of December and January and make individual calls on business houses and citizens asking for their financial support. The response and generosity of these business houses and citizens throughout the years has been most generous and has made our annual bonspiel possible.

The Programme Committee has the duty of purchasing the prizes and compiling our official publication, the "Annual," first published in 1889, and contains the following information:

The names of the office bearers for the year, a record of all past presidents and vice-presidents, the constitution, the general rules, rules of the game, honorary life members of the association, photos and short sketch of the curling history of individual life members elected yearly at the annual meeting, names of donors to the past year's bonspiel, an In Memoriam page giving names of members of affiliated clubs who have passed away during the preceding twelve months, a prize list shewing pictures of trophies being competed for with last year's winners, and prizes donated for the coming bonspiel, together with rules that govern the particular event.

The Manitoba ladies' bonspiel prize list, together with a record of previous winners Manitoba high school bonspiel winners.

List of clubs affiliated, with the names of the president and secretary for that year.

Past bonspiel prize winners and other matters of interest.

This committee also sells advertising in the annual, endeavoring to make same self supporting.

The Ice and Draw Committee has charge of all the bonspiel draws, rinks, rocks and identification badges, names umpires, settles any disputes that might arise, makes the draws each day, sets times of draws and ices for the individual games at the annual bonspiel.

The Entertainment Committee is in charge of entertaining the contestants attending the annual bonspiel. It also organizes goodwill trips throughout the country, arranges all details as to clubs to be visited, transportation, etc.

The Publicity Committee looks after all matters pertaining to the general publicity of the bonspiel and other association doings, prints and distributes the necessary posters of its own and affiliated clubs' bonspiels, supplies the newspapers and radio stations with curling news.

In the early twenties a Junior Committee was set up, with the object of interesting boys under the age of twenty in the grand old game of curling. Each winter bonspiels are held in the city of Winnipeg, the Greater Winnipeg curling clubs supplying the ice.

In the year 1940 the Junior Committee of our association, with the assistance of the Teachers' Athletic Organization, organized a high school bonspiel, which has met with

great success and has developed into a provincial high school bonspiel and in 1947 had an entry of 158 rinks.

**Jubilee Committee**—This committee functioned in 1938 to help develop ideas to celebrate our Golden Jubilee, and is again in operation in 1948 to make suggestions and plans to celebrate our Diamond Jubilee.

**Red Cross Committee**—This committee came into being during the second World War and continued in operation from 1940 to 1945. It was formed for the purpose of raising funds for the Canadian Red Cross and purchasing food parcels for prisoners of war. All the affiliated clubs in the province were one hundred percent behind this committee and made a most creditable record by raising over \$139,000.00.

Over the last sixty years the Manitoba Curling Association has had a most creditable record. In the year 1889 the bonspiel entry totalled 62 rinks, in 1947 the entry totalled 400 rinks—the world's greatest bonspiel—with an affiliated membership of 230 clubs.

Our Manitoba ladies had an entry of 124 rinks in their 1947 bonspiel; and in the boys' high school bonspiel 158 rinks were entered. A Winnipeg rink travelled down to St. John, N.B., in March 1947 to become Dominion curling champions.

During the early winter months, prior to the bonspiel our city curlers endeavor, as far as time and weather will permit, to arrange and make goodwill trips among their country friends. And how they enjoy those friendly games! Is it any wonder then, when the annual bonspiel comes around, how the curlers of Greater Winnipeg look forward with eager anticipation to greet once more their many old friends and extend a most hearty welcome to their new ones?

Throughout our existence we have striven to keep the curling game free from the inroads of commercialism, and to keep up the tradition: that whatever matters after all is the game, win or lose.

No wonder our association is in the forefront, not only for a fine record of achievement in producing curlers of championship calibre, but as ambassadors of sportsmanship and goodwill. Our past sixty years have spoken for themselves, and we feel safe in saying our future will be bright and safe if we follow closely in the steps of our predecessors.

## **CHARLES N. HARRIS MEMORIAL TROPHY**

Presented by the Macdonald Tobacco Company as the Grand Aggregate Trophy for annual competition at the Bonspiel of the Manitoba Curling Association.

The Manitoba Curling Association donates the following individual prizes:

Four Sterling Silver Replica Rose Bowls.

### **RULES**

1. This competition shall be open to all rinks entered in the Manitoba Curling Association Bonspiel.
2. The club winning the trophy shall have the custody of it for one year upon giving ample security for its return; the prizes, however, shall become the property of the members of the winning rink.
3. The rink having the greatest number of wins in the Birks, Eaton and British Consols Events shall be declared the winner of the competition.
4. No wins will count in an extra series of any of the above competitions.
5. In the event of two or more rinks being tied with a like number of wins, rinks so tied shall play off by Bagnall-Wyld draw.

*Congratulations to

## HENRY BIRKS & SONS (MANITOBA) LTD. TROPHY

Messrs. Henry Birks & Sons (Manitoba) Limited, Jewellers, Winnipeg, donate for annual competition at the Bonspiel of the Manitoba Curling Association a magnificent Sterling Silver Trophy.

The same firm also donates the following individual prizes in this competition:

FIRST—Four Wrist Watches.

SECOND—Four Teaset Trays, E.P. on Copper.

THIRD—Four Entree Dishes, E.P. on Copper.

FOURTH—Four Meat Platters, E.P. on Copper.

### RULES

1. This competition shall be open to all rinks entered in the Manitoba Curling Association Bonspiel.
2. The club winning the trophy shall have the custody of it for one year upon giving ample security for its return; the prizes, however, shall become the property of the members of the respective winning rinks.
3. This trophy, formerly known as the Dingwall Trophy and Birks-Dingwall Trophy, was first competed for in the Bonspiel of 1911, having been given for a period of eight years and later extended a further two years. At the expiration of ten years the Manitoba Curling Association, who had made provision for its final disposition, unanimously decided to continue the trophy as a permanent one to be competed for annually at the Manitoba Curling Association Bonspiel, commencing with the Bonspiel 1921.
4. All entries for this competition must be made with the Secretary of the Manitoba Curling Association, 203 Donalda Block, Winnipeg, not later than Thursday evening at 8 o'clock, before the opening of the Bonspiel.

# *High Grade English* **FOOTWEAR**

THIRD—Four Pair English All Wool Blankets.

FOURTH—Four General Electric Kettles.

### RULES

1. This competition shall be open to all rinks entered in the Manitoba Curling Association Bonspiel.
2. The club winning the trophy shall have the custody of it for one year, upon giving ample security or its return; the prizes, however, shall become the property of the members of the respective winning rinks.
3. This trophy is for permanent annual competition at the Manitoba Curling Association Bonspiel, commencing 1919.
4. All entries for this competition must be made with the Secretary of the Manitoba Curling Association 203 Donalds Block, Winnipeg, not later than the Thursday evening, at 8 o'clock, before the opening of the Bonspiel.

## *Congratulations*

TO THE MANITOBA CURLING ASSOCIATION!

It is a privilege to extend to the Manitoba Curling Association our congratulations on the occasion of their Diamond Jubilee Bonspiel. To grow from an original membership of seven clubs to more than two hundred and thirty, as they have done, is a notable achievement in the history of Canadian sport.

Similar too is the story of low-cost electricity in this city. To provide an electrical service within the reach of every income, the development of a municipally-owned utility, City Hydro, was initiated in 1906 by a group of leading citizens.

Since introducing the first low-cost power into Winnipeg, City Hydro has become a vital part in the life of the community. Its dependable, economical service is popular everywhere. In addition to many commercial and industrial users, 83 percent of Winnipeg's families now use the low-cost power of their own utility.

(Double Rink Competition)

Messrs. Ganong Brothers Limited, St. Stephen, New Brunswick, manufacturers of Chocolates and Confectionery, donate to the Manitoba Curling Association for annual competition a handsome Silver Trophy. The same firm also donates the following individual prizes in this competition:

**FIRST**—Eight Bridge Tables and Arm Chairs.

**SECOND**—Eight 3-Piece White Handled Sheffield Carving Sets.

### RULES

1. This competition is open to all clubs in affiliation with the Manitoba Curling Association.
2. The clubs of the Association shall be divided into districts, such districts to be determined at the annual meeting of the Association each year.
3. The clubs in each district shall play against each other with two rinks a side; that is one double rink, the drawing to be on the Bagnall-Wyld system.
4. In the case of isolated districts in which there is only one club, such club shall select a double rink to represent the club at the bonspiel.
5. The final winning club in each district shall, when possible, enter the successful double rink to play at the final stage at the annual Bonspiel at Winnipeg. In the event of such rink or any of its players being unable to attend, then substitutes will be allowed, provided they belong to the same club.
6. The Association will present eight appropriate badges to the successful double rink in the primary competition in each district.
7. The trophy to be held for the year by the club which the winning rink represents, upon giving ample security for its return. The prizes shall become the property of the members of the respective winning rinks.
8. Any rink entered in the Free Press shall not be eligible to play in the Ganong in the bonspiel.
9. Any rink playing in the British Consols shall not be eligible to play in the Ganong in the bonspiel.
10. To be eligible to play in the finals of this event in the annual bonspiel rinks must enter and play in the Open Events.
11. Entries must be made with the Secretary not later than the Thursday night before the opening of the bonspiel.

 Second, J. K. Watson, Strathcona

## BRITISH CONSOLS TROPHY

The Macdonald's Brier Trophy was presented to the Manitoba Curling Association by Macdonald Tobacco Company in 1925 for annual competition in the association bonspiel. In 1925 and 1926 the rink winning the trophy was taken east on a good-will tour as guests of Macdonald Tobacco Company. From 1927 the rink winning the trophy represented Manitoba in the Dominion Curling Championships at Toronto. In 1936 the name of the trophy was changed from "Macdonald's Brier" to "British Consols" to correspond with trophies given in other provinces for Macdonald's Brier Tankard representation.

**FIRST**—Four Sheffield Silver Chop Dishes.

**SECOND**—Four Sheffield Muffin Dishes.

### RULES

1. Eligible for the competition are rinks from clubs affiliated with the Manitoba Curling Association and all competitors must be active playing members of the club they represent for the current season.
2. Eligible for the competition shall be rinks entered in the annual Manitoba bonspiel and reaching the 16's of the Henry Birks & Sons (Manitoba) Limited or the Sir John C. Eaton.
3. Any rink playing in this competition shall not be eligible for the Ganong Trophy or the Free Press Trophy competitions.
4. The club from which the winning rink is entered shall hold the British Consols Trophy for one year, and the winning rink shall be eligible to represent the Manitoba Curling Association in competition for the Macdonald's Brier Tankard Dominion Curling Championship.
5. In the event of the winning rink being unable to represent the Association in the Dominion Curling Championship, the Executive Council of the Association will nominate a rink from those finishing highest in the competition.
6. Substitutions of players for the Dominion Curling Championship on winning rink or rink nominated by council may be made, subject to the approval of the executive council.

## MACDONALD BRIAR TANKARD, 1947

**J**IMMIE Welsh, a slight, dapper figure who plays tough shots with the cold finesse of a master, once again demonstrated Manitoba's curling supremacy when he captured the Macdonald's Brier Tankard at Saint John, N.B., last March. The Welsh rink, playing under the colors of Winnipeg's Deer Lodge Club, swept through the nine games of the round-robin competition without a single setback. Other members of the veteran quartet were Jimmie's brother, Alex, who played third stone; Jack Reid, second; and Harry Monk, lead.

Observers who commented on the perfect team-work and understanding of the Manitobans, pointed to the fact that with the exception of Alex Welsh, the quartet has been together for 13 years.

It was Welsh's third appearance in the Brier competition. Back in 1933 he was a member of a rink skipped by the late John Douglas at Toronto. Other rink members on that occasion were Alex Welsh and "Jock" Reid. Four years later Jimmie skipped his own rink to a near win, losing out to Cliff Manahan, veteran Edmonton skip. Reid and Monk were with him on that occasion.

In the duelling at Saint John, Manitoba's victory pattern was established on the first day and became increasingly apparent as the competition advanced. It wasn't long before the odds were overwhelmingly in favor of Welsh bringing home Manitoba's 11th win in the 21-year history of the Brier.

Main competition was expected to come from Howard Palmer's Calgary rink. A top-ranking curler for many years and a former winner of the Brier for Alberta in 1941, Palmer and his men were given an excellent chance to retain the title captured by Billy Rose of Sedgewick in 1946. But the Albertans performed in erratic fashion, winding up in a fourth place tie with Nova Scotia.

Despite his hot-and-cold showing, it was Palmer who came closest to victory over the Welsh aggregation. In their fourth round clash, Palmer and his men curled brilliantly to build up a 7-4 lead at the end of the nine ends and a tense gallery watched with breathless interest. Then Welsh surged back with a three-ender that knotted the count at 7-all and a 9-7 victory margin was fashioned with singletons in the 11th and final ends.

In every other start Welsh had established his winning margin by the time he had reached the ninth end and was always in the happy position of forcing his opponents to take chances in the stretch.

Early opposition for the lead was provided first by British Columbia and then by Northern Ontario.

It was still a battle going into the seventh round, with Welsh leading with six straight wins and Don Best and his Northern Ontario crew clinging grimly in second place with five wins and one defeat, their single setback by a 10-12 count coming in the second round at the hands of the 'Tobans. But when Best went down to 11-10 defeat at the hands of "Frenchy" D'Amour's tough B.C. entry, while Welsh was clipping Quebec 11-7, it was all over but the shouting.

Manitoba breezed through their two remaining matches, drubbing P.E.I. 18-7 and Ontario 15-6. In his match against the Islanders, Welsh narrowly missed scoring a perfect end.

Interest then switched to the battle for second place, which wound up with Saskatchewan and B.C. deadlocked with six wins and three defeats apiece, thereby forcing a sudden-death playoff.

The Saskatchewan entry, made up of four Campbells, a father and three sons and skipped by 20-year-old Garnet Campbell, had caught public fancy from the outset. After a shaky start the prairie entry had finished strongly and in their regular fourth round match against B.C. had survived D'Amour's great finish to eke out a 10-9 victory after being ahead 10-3 going into the 10th end.

The Campbells were not quite so fortunate in the playoff and after piling up an 8-5 lead in nine ends they fell victim to a typical B.C. spurt and were nosed out by the identical 10-9 score by which they had previously humbled the D'Amour quartet.

While the competition at Saint John lacked the tense competition and thrills of the 1946 show at Saskatoon, which saw Rose beat out first Manitoba and then Northern Ontario when a three-way tie developed for first place, it will go down as one of the best-run Briers in the history of the competition.

Arrangements were excellent, ice was keen and the friendly citizens of Saint John outdid themselves in providing competitors and guests with a most enjoyable time.

This year's competition moves to the famous "stampede City" of Calgary, Alberta, long famed for its open-handed western hospitality. Crack rinks will gather in the prairie city for the great annual battle on March 1, 2, 3 and 4. In Calgary, near the spectacular Canadian Rockies, they will be entertained in a manner none will forget.

## MITCHELL-COPP TROPHY

(Ladies' Competition)

Mitchell-Copp Limited, Winnipeg Jewellers, donate to the Manitoba Ladies' Curling Association, for annual competition, a handsome silver trophy. The same firm also donates the first prize.

The Manitoba Ladies' Curling Association donates the second, third and fourth prizes.

FIRST—Four Silver Trays.  
SECOND—Four Table Lamps.  
THIRD—Four Gift Certificates.  
FOURTH—Four Gift Certificates.

### RULES

1. The competition shall be open to rinks losing their second game in the Lady Eaton and first game in the Grain Exchange competitions.
2. The trophy shall be held for one year by the Club which the winning rink represents. The prizes shall become the property of the respective winning rinks.
3. This trophy is for permanent annual competition at the Manitoba Curling Association Bonspiel commencing 1944.

### WINNERS

First—Mrs. J. McLean, Fort Garry, Winnipeg.  
Second—Mrs. Brownstone, St. Johns, Winnipeg  
Third—Mrs. F. A. Nesbitt, Strathcona, Winnipeg.  
Fourth—Miss Musgrove, Neepawa.

---

## SPECIAL PRIZES

McKinney & Co. Limited, Jewellers, donate four suitable prizes for rink coming longest distance in the province of Manitoba.

Burns & Co. Limited, donates four food hampers for rink coming longest distance outside the province of Manitoba.

---

## BIRKS DINGWALL TROPHY (INACTIVE)

1947 Winner—Mrs. C. Poulton, Fort Rouge, Winnipeg.

## CLAY LAW & COMPANY SHIELD

(Ladies' Competition)

Presented by the Clay Law & Company as the Grand Aggregate Shield for annual competition at the bonspiel of the Manitoba Ladies' Curling Association.

Four Gold Medals, donated by Clay Law & Company.

### RULES

1. This competition shall be open to all rinks entered in the Manitoba Ladies' Curling Association bonspiel.
2. The club winning the shield shall have the custody of it for one year upon giving ample security for its return; the prizes, however, shall become the property of the members of the winning rink.
3. The rink having the greatest number of wins in the North Star Oil and Lady Eaton Trophies event shall be declared the winner of the competition.
4. No wins will count in an extra series of any of the above competitions.
5. In the event of two or more rinks being tied with a like number of wins, rinks so tied shall play off by Bagnal-Wyld draw.

*The Ladies' Bonspiel will open in Winnipeg at 9.00 a.m.  
Tuesday, February 17, 1948.*

All games in Ladies' Bonspiel will be 10 ends except semi-finals and finals which shall be 12 ends

#### TRANSCONA HIGH SCHOOL

Winners of Free Press Cup, Manitoba High School Bonspiel, 1946

## MANITOBA HIGH SCHOOL BONSPIEL

By MAURICE SMITH

**F**UTURE curling greats of tomorrow—the potential winners of the Macdonald's Brier tankard, emblematic of the blue ribbon of Canadian curling, were seen in action in the annual Manitoba high schools bonspiel. They came from every corner of the province, 740 of them, to fight for the honor of their school and bring home one of the trophies where it would have an honored place in the classroom.

Held between the Christmas and New Year holidays in Winnipeg, 185 rinks, the largest in history, participated in the youngsters' curling classic. Nearly ninety towns in Manitoba were represented in the 129 rinks which came from outside Winnipeg, and, unlike the annual bonspiel of the Manitoba Curling Association, all the four trophies—Free Press, Tribune, Calhoun and Dan Davidson—found a resting place outside the big city.

Bill Ferguson's boys from Transcona won the Free Press cup; Stan Gowling's rink of Morden, the Tribune; Jack Bodnar's schoolmates from Reston carried off the Calhoun; while Larry McLean's buddies took the Dan Davidson cup with them to Reston.

With the eight finalists battling in the playdowns for the honor of representing Manitoba in the inter-provincial high schools championship, Stan Gowling piloted his Morden boys to the championship, defeating Bill Ferguson's Transconas in the final after a keen tussle which was witnessed by a large crowd at the Granite rink.

The inter-provincial championship this year is being staged at the Amphitheatre Rink during the Diamond Jubilee bonspiel of the Manitoba Curling Association. Last year Don Montgomery's rink from the little village of Franklin, Man., won the inter-provincial title and the Victor Sifton cup last winter at Regina.

Sponsored by the Saskatoon *Star Phoenix*, the Regina *Leader Post* and the Winnipeg *Free Press*, it was the first time an inter-provincial series had been held, and so it was a great honor for the Franklin youngsters to see their names engraved on the Victor Sifton trophy.

Saskatchewan and Alberta were represented last year, but British Columbia and the Head of the Lakes are participating this year, which will add a wider interest to the event which in a very few years will embrace every province in the Dominion.

Curling with the youth of Manitoba is becoming more popular every year, and probably the Manitoba high schools bonspiel has had a big say in the boys taking to the game.

"When I curled as a youngster," said one famous skip, "my school-mates said it was a 'sissy' game. They thought it was a pastime game only fit for our dads. But the boys in our community don't say that today. They know better now, that curling needs almost as much stamina as a hockey game."

A few years ago the Manitoba high schools bonspiel was only a very modest affair; today it is one of the leading events in the country.
